From Our President:

JOSHIAH PONCE, COLLEGIATE HS, CORPUS CHRISTI

Hey Future Educators!

We are right around the corner from the 2026 Teach Tomorrow Summit, and I could not be prouder of our members. To those advancing—congratulations, we can't wait to see you shine. To those who didn't advance but gave this season your all—your growth, effort, and dedication matter just as much, and we are incredibly proud of you.

As you reflect on your conferences, I hope you remember not only the competitions, but also the friendships, leadership skills, and experiences that helped you grow. With State Competition approaching, take a moment to look back on how far you've come and what you'll take with you as you continue to bloom in the garden of education.

Usually in this section of my newsletter, I would include education-related news. Instead, I want to pause and offer a few reminders of why this field matters:

- Strong student-teacher relationships are essential to learning—one teacher can make a lasting impact.
- Students with passionate teachers show greater motivation, confidence, and excitement for learning.
- For many students, a teacher is the first person to truly believe in their potential.

Each of these moments—big or small—helps shape the garden we are all growing in.

While this season may be coming to a close, it also marks new beginnings. To our seniors, an exciting chapter awaits—we can't wait to see the educators, leaders, and change-makers you become, and we hope you continue growing as a collegiate TAFE member. To our underclassmen, step boldly into what's next. Plant new seeds, challenge yourself, and let this next season be one of growth.

Before I close I wish to reflect on my time as your 2025 - 2026 TAFE State President. One thing is for sure - I am filled with gratitude. From growing alongside fellow State Officers, to meeting our TAFE Teacher Leaders, to connecting with inspiring members across Texas—each experience has helped shape who I am today and no memory or experience is better than the last. Throughout my tenure, serving you has confirmed that this is the right field for me, and I cannot wait to impact students the way you have impacted me.

I will forever hold each of you in my heart. It's incredible to think that TAFE has given me the platform, support, and confidence to grow not only as a leader, but as a person. By this time next year, I hope to be pursuing my degree in Elementary Education, while continuing to support this organization in any way I can.

Though this chapter is ending for me, it is not the end of the journey. I will always be here to support you as you continue to grow. If you ever need anything, feel free to reach out at joshiah.ponce123@gmail.com or on Instagram @joshahp_101.

Keep growing, stay rooted,
and be yourself.
Until next time, future
educators...

With Lots of Love,
~ Josiah Ponce,
TAFE State President

College Connections:

JASMON SAMPY - ALIEF TAYLOR HIGH SCHOOL, HOUSTON
TAFE VICE-PRESIDENT

As I prepare to end my term as a TAFE State Officer, I want to send my heartfelt well wishes to all competitors and thank every member, teacher leader, and officer who made this year so special. Serving in this role has been an unforgettable experience and one I will always cherish. One of my favorite memories was attending Nationals and spending time with fellow state officers and TAFE members, especially connecting the day before and enjoying a fun day at Universal Studios. I've always known I wanted to become a teacher, from playing school as a child to being inspired by my 4th grade teacher, Ms. Hong, who made a lasting impact on my life. TAFE has helped me grow in my public speaking and social skills, preparing me to be a confident future educator.

Next year, I plan to attend Texas State University or the University of Houston to pursue a degree in Elementary Education. I wish all competitors the best of luck and continued success to the TAFE family!

- Jasmon Sampy, State VP

KUDOS

PEYTON STEWART - KINGWOOD HIGH SCHOOL, HOUSTON
TAFE SECRETARY

I want to send my heartfelt wishes to all of our candidates, good luck, have fun, and enjoy every moment of this amazing experience! To my fellow state officers, it's been such an honor serving alongside you. I couldn't picture a different group to spend these Tafe moments with. Thank you for all the memories, support, and laughter this year.

Favorite Memory of the Year:

My favorite memory this year has to be all the sleepovers I had while rooming with my girl bestie officers. Those nights were full of laughter, making sure to keep the tv going all night, and moments I'll never forget.

What/Who Inspired Me to Go Into Teaching:

I first realized I wanted to go into teaching during a breakout room session at TAFE State my first year! It really opened my eyes to how impactful a teacher's job can be and how much of a difference they can make in students' lives.

How TAFE Has Helped Me:

TAFE has helped me grow in confidence, leadership, and communication while preparing me for my future.

What's In Store for Me Next Year:

Next year, I plan to continue my education at the University of Arkansas!!
