OBJECTIVE: To challenge future educators to plan, prepare, and deliver effective lessons for diverse learners. To promote teaching skills among TAFE students.

OVERVIEW: No matter what age, grade or subject a teacher teaches, the class is certain to have a variety of learners. The class may have some ESL/ELL students, some learning support, some emotional support, some gifted, and some very “average students.” Within all the mentioned needs are diverse learning styles. It is up to the teacher to differentiate the lesson to meet the needs of all the students.

This competition is an individual event where future educators will be given a lesson plan and class demographics. The competitor will then have twenty (20) minutes to differentiate the lesson for each of the diverse types of learners in the class. Then, he/she will have ten (10) minutes to present the differentiation strategies to the judges. These strategies do not have to be taught, just presented.
