Goals

Campaign rules are established with several goals in mind:

- A. To “equalize” opportunities for running for office among different sized schools and with varying economic potential, etc.
- B. To allow each candidate an opportunity to present its views.
- C. To insure an organized and safe campaign for all people, facilities and places involved.

Roles and Responsibilities

The primary responsibility of the state officer schools of TAFE is to be ambassadors for the organization and of the teacher profession. Effective state officers are articulate, self-motivated, outgoing, conscientious TAFE students with a passion for TAFE’s mission and vision who will promote the organization as essential to the cultivation of tomorrow’s great educators. Officers must be comfortable with public speaking and connecting with education stakeholders (students, teachers, administrators, policymakers, etc.) both virtually and in person. (See Duties of the State Officers in the By-laws.)

Each role may contain specific duties unique to it, but all state student officers will:

- Travel several times throughout their term to TAFE events, including but not limited to:
 - Officer Training Workshop
 - TAFE Board of Directors Meetings
 - Summer Leadership Conference
 - FCSTAT Conference
 - Area Conferences-when requested
 - Script Writing Meeting
 - Capital Leadership Day
 - TAFE Teach Tomorrow Summit
 - Teacher Leader Workshop
 - Educators Rising National Conference
- Help plan the annual TAFE Teach Tomorrow Summit
- Participate in regular conference calls with other state student officers
- Serve as student author for TAFE publications
- Perform other duties as assigned as a positive, professional role model

The state student officers of TAFE will accomplish these and other responsibilities with the support of their teacher leaders. The term of office shall be one year, beginning at the TAFE Teach Tomorrow Summit at which the student is elected and ending at the following TAFE Teach Tomorrow Summit. * See attached chart for dates and financial responsibilities.

TAFE Area/State Social Media Code of Conduct

TAFE Area/State officers are representatives of TAFE and must use social media responsibly and abide by this Social Media Code of Conduct in both their role as an officer and in their personal use. Area/State officers are responsible for monitoring and regulating all content posted to or tagged on their social media accounts. It is recommended that privacy and/ or tagging permission settings be implemented for all personal social media accounts. Students should use all communication, including social media, as a means of positively impacting others and TAFE, spreading awareness of TAFE, and promoting unity among TAFE members.

TAFE Area/State Officers are expected to set an example for other members and should create and maintain a social media image that is positive, ethical, professional, and kind. Social media should never be used to air your grievances. Be aware that if you post your attendance or participation in an activity that you are endorsing that activity or product.

“Social media” refers to all websites and applications that enable users to create and share content or to participate in social networking, whether it is associated or affiliated with the organization, as well as any other form of electronic communication. These include, but are not limited to Facebook, Instagram, Twitter, Snapchat, YouTube, TikTok, LinkedIn, blogs, vlogs, and other online threads.

Below are the guidelines that we would like for you to be aware of in using both your personal as well as your official TAFE social media sites.

- **Protecting your own privacy**-privacy settings on social media platforms should be set to what you are comfortable with. Be mindful of posting information that you would not want the public to see. What you publish will be around for a long time, so consider the content carefully and be cautious about disclosing personal details.
- **Be honest**-Do not say anything that is dishonest, untrue, or misleading. If you have a vested interest in something you are discussing, point it out. But also, be smart about protecting yourself and your privacy.
- **Respect your audience, TAFE, and your fellow members**-They reflect a diverse set of customs, values and points of view. Don't say anything contradictory or in conflict with the TAFE website. Don't be afraid to be yourself but do so respectfully.
- **Social Media Tips**- The best way to be interesting, stay out of trouble, and have fun is to write about what you know. Quality matters. Use a spell-checker. If you're not design-oriented, ask someone whether your graphics look decent, take their advice on how to improve it. If in doubt over a post, or if something does not feel right, either let it sit and look at it again before publishing it or ask someone else to look at it first. Remember pictures last forever, think about who, what, and where the picture is being taken.

Area/State Officers will be utilizing the following social media platforms during their term in office, they will be logging into the TAFE organization accounts with provided usernames and passwords created by TAFE:

- Instagram
- Youtube
- TikTok
- X

CAMPAIGN INFORMATION FOR CANDIDATES

Campaign Guidelines

Campaigning is an important part of the TAFE elections process. Therefore, candidates are required to participate in several campaign activities. Additionally, to ensure fairness and equality, there are several campaign rules and regulations that all candidates must adhere to. Required activities, rules, and regulations are outlined below.

Reminder Teachers Leaders are a source of support for their candidates and should not participate in campaigning for their candidate or school, doing so will be found as a campaign violation.

Campaign Meeting

The officer candidate school representative and Teacher Leader shall attend a campaign meeting prior to campaigning. At this time, the final Campaign Finance Report will be given to the Credentials Committee. The Credentials Committee will review all the candidate school's campaign materials, handouts, and campaign speech. If campaign application is incomplete or campaign materials are inappropriate, the school could be disqualified and not allowed to run for office at the Political Rally.

Requirements for Approved Candidates

If you are selected as a candidate for TAFE state student office, you are required to participate in several campaign activities, some of which take place at the annual TAFE Teach Tomorrow Summit.

If a candidate misses any of the required campaign events or submission deadlines, (s)he will be removed from the ballot.

Campaign Videos, candidates' bios and photos will be posted in the TAFE mobile app and will serve as the candidate's online campaign materials. The video will be uploaded to the TAFE mobile app prior to the Teach Tomorrow Summit for preview and will be played at the political rally.

Campaign Booth

- Each candidate school will be given booth space at the TAFE Teach Tomorrow Summit which will include one 6' table, 2 chairs, and 2' between candidate booths.
- Candidate school's booth location will be determined by a drawing and candidate schools will be notified of their booth location.
- Candidate schools should use the tabletop to display all campaign materials
- Candidates **may not** hold raffles at their campaign booths
- Campaign materials must not violate your school's policies about language, profanity, sexual innuendos, etc. Posters found in violation will be grounds for disqualification of the candidate school.
- **No additional campaigning will be allowed after the booths close. (This includes the continuation of distribution of campaign materials and handouts.)**
- Teacher Leaders may not participate in the campaigning. They may help with setup, monitoring of campaign booth, and tear down.
- If campaign booths are located near competition rooms, all candidates and their campaign teams must be mindful of those students who are competing.
 - Chants and cheers need to be limited to areas at least 20 feet away from competition rooms and must remain in the general conference space.
 - Campaign booths or helpers which are found to be too loud will be given one warning to lower their volume. If a campaign must be asked a second time, they lose privileges to continue their campaign.

Campaign Materials

All banners, posters and campaign materials must be approved by the Credentials Committee before distribution, on the first day of the Teach Tomorrow Summit.

Acceptable materials are:

- Flyers can be no larger than 8 1/2" x 14".
- 6 Banners (not to exceed 3' x 6') may be displayed in your booth area, carried or worn as a sandwich board.

- Noisemakers, music instruments, amplifiers, and other approved demonstration materials may not be distributed to TAFE members. No amplified sound should detract from other candidate booths.
- Novelty items and candy may be distributed as long as they do not interfere in any way with the activities being conducted and they must be school appropriate. Secure approval for novelties before you order them.

Materials not acceptable are:

- Floating helium balloons
- Confetti-type materials
- Gummed labels

Distribution

- Handouts and other distributions may be made at the convention site according to the schedule. No distribution of materials may take place in the general session room at any time.
- No signs, posters, handouts, noisemakers, or promotional materials of any kind will be allowed in the Political Rally. All campaign materials are to be used ONLY during the allotted campaign timeframe.
- Campaign materials may not be posted on walls, in the elevators, in the halls, on finished wood surfaces, on glass, on doors or door handles, on curtains or other fabrics, or hung from light fixtures, air conditioners, air supply ducts, return air grills and diffusers, obstruct exits or exit signs, be plugged into any light fixture or socket, posted outside the conference site, or slipped under doors of hotel rooms.
- Nothing is to be thrown into the audience during the rally. All “handouts” or “give-aways” are to be passed hand to hand only during the designated campaign time. Do not use straight pins to pin paper on people.

Clean-up

All campaign materials shall be cleaned up by the close of campaigning. Any campaign materials found not cleaned up could disqualify the school from running for office.

Campaign Violations

Any report of suspected campaign rule violations any time during or prior to the campaigning should be made immediately to the Credentials Committee Chairperson and TAFE Program Director. Depending on the severity of the alleged violation, the offending school may be asked to correct the infraction or be penalized by the Credentials Committee. This action may be appealed to the TAFE Board of Directors. A school’s name may be removed from the ballot if the violation is intentional or flagrant. Each candidate school should avoid using any questionable materials or procedures that circumvent the intent of campaign rules.

Optional Campaign Activity: TAFE social media

Candidates are welcome to campaign on any official TAFE and Educators Rising social media site. Social media campaigning may not begin until the Credentials Committee has approved the candidacy. Posts must not violate your school’s policies about language, profanity, etc., and **must not** contain any negative attacks on opponents.

Campaign Finance

- Candidates must fund their campaign materials through their TAFE chapter treasury, private donation(s), and/or money generated by fundraising efforts.
- **Campaign expenditure must be limited to \$750.** This includes all items associated with the campaign booth including materials, giveaways, handouts, etc.
 - **Candidates can exclude basic items used to secure display materials from their expenditure list, including staples, tape, tacks, paper clips, glue, rubber bands, string, etc.**
 - **Candidates need to include all technology, even if on loan, being used during their campaign window, i.e. laptops, tablets, speakers, photo booths, etc.**
- Candidates may accept donated items. However, the fair market value of donated items must be counted against the \$750 total. (i.e., a donated item might include copy paper supplied by the school used in preparing handouts. The candidate would need to ask school personnel the value of the paper and then record it on the Campaign Finance Report as a donated item. For items that may not have an easily obtainable value (such as an item from home, like a stuffed animal) the candidate would need to find a

similar item online (use sites like ebay.com, amazon.com, etc.) for determining the fair market value and record it on the Campaign Finance Report.

- Receipts for all campaign materials, including proof of fair market value of the donated items, must be attached to the Campaign Finance Report.
- The final Campaign Finance Report and all receipts must be submitted to the TAFE state office before the mandatory meeting with the Credentials Committee at the Teach Tomorrow Summit.
- **TAFE encourages you to consider creative and low-cost ways to bring a meaningful message to attendees as a TAFE state student officer candidate.**

If you have questions about the Campaign Requirements and Guidelines for Candidates, please contact the TAFE state office.

Political Rally

Speech

- Speeches should reflect the school's campaign platform and TAFE Theme or TRAFLES.
- At the political rally, each officer candidate school shall be allotted three minutes to give their campaign speech. Each officer candidate will be given a silent 30 second warning to complete their speech. At the end of 3 minutes, the student Vice-President shall announce, "Your time has expired."
- Any continuation of presentation beyond five seconds after notification shall result in disqualification.
