Goals

Campaign rules are established with several goals in mind:

- A. To “equalize” opportunities for running for office among different sized schools and with varying economic potential, etc.
- B. To allow each candidate an opportunity to present its views.
- C. To insure an organized and safe campaign for all people, facilities and places involved.

Roles and Responsibilities

The primary responsibility of the state officer schools of TAFE is to be ambassadors for the organization and of the teacher profession. Effective state officers are articulate, self-motivated, outgoing, conscientious TAFE students with a passion for TAFE’s mission and vision who will promote the organization as essential to the cultivation of tomorrow’s great educators. Officers must be comfortable with public speaking and connecting with education stakeholders (students, teachers, administrators, policy-makers, etc.) both virtually and in person. (See Duties of the State Officers in the By-laws.)

Each role may contain specific duties unique to it, but all state student officers will:

- Travel several times throughout their term to TAFE events, including but not limited to:
 - Officer Training Retreat
 - TAFE Board of Directors Meetings
 - Summer Leadership Conference
 - FCSTAT Conference
 - Capital Leadership Day
 - TAFE Teach Tomorrow Summit
 - Advisor Workshop
 - Educators Rising National Conference
- * *See attached chart for dates and financial responsibilities.*
- Help plan the annual TAFE Teach Tomorrow Summit
- Participate in regular conference calls with other state student officers
- Serve as student author for TAFE publications
- Perform other duties as assigned as a positive, professional role model

The state student officers of TAFE will accomplish these and other responsibilities with the support of advisors. The term of office shall be one year, beginning at the TAFE Teach Tomorrow Summit at which the student is elected and ending at the following TAFE Teach Tomorrow Summit.

CANDIDATES**

Campaign Guidelines

Campaigning is an important part of the TAFE elections process. Therefore, candidates are required to participate in several campaign activities. Additionally, in an effort to ensure fairness and equality, there are a number of campaign rules and regulations that all candidates must adhere to. Required activities, rules, and regulations are outlined below.

Campaign Meeting

The officer candidate school representative and advisor shall attend a campaign meeting prior to campaigning. At this time, the final Campaign Finance Report will be given to the Credentials Committee. The Credentials Committee will review all the candidate school's campaign materials, handouts, and campaign speech. If campaign application is incomplete or campaign materials are inappropriate, the school could be disqualified and not allowed to run for office at the Political Rally.

Requirements for Approved Candidates

If you are selected as a candidate for TAFE state student office, you are required to participate in several campaign activities, some of which take place at the annual TAFE Teach Tomorrow Summit.

If a candidate misses any of the required campaign events or submission deadlines, (s)he will be removed from the ballot.

Campaign Videos, candidates' bios and photos will be posted on the TAFE website and will serve as the candidate's online campaign materials. Video will be uploaded to the TAFE website prior to the Teach Tomorrow Summit for preview and will be played at the political rally. Candidate bios and photos will also be included in the TAFE Teach Tomorrow Summit program book and mobile app.

Campaign Booth

- Each candidate school will be given booth space at the TAFE Teach Tomorrow Summit which will include one 6' table, 2 chairs, and 2' between candidate booths.
- Candidate school's booth location will be determined by a drawing and candidate schools will be notified of their booth location.
- Candidate schools should use the tabletop to display all campaign materials
- Candidates *may not* hold raffles at their campaign booths
- Campaign materials must not violate your school's policies about language, profanity, etc.
- **No additional campaigning will be allowed after the booths close. (This includes the continuation of distribution of campaign materials and handouts.)**

Campaign Materials

All banners, posters and campaign materials must be approved by the Credentials Committee before distribution, on the first day of the Teach Tomorrow Summit.

Acceptable materials are:

- Flyers can be no larger than 8 1/2" x 14".
- 6 Banners (not to exceed 3' x 6') may be displayed in your booth area, carried or worn as a sandwich board.
- Noisemakers, music instruments, amplifiers, and other approved demonstration materials may not be distributed to TAFE members, but may be used during the political rally. No amplified sound should detract from other candidate booths.
- Novelty items and candy may be distributed as long as they do not interfere in any way with the activities being conducted and they must be school appropriate. Secure approval for novelties before you order them.

Materials not acceptable are:

- Floating helium balloons
- Confetti-type materials
- Gummed labels

Distribution

- Handouts and other distributions may be made at the convention site according to the schedule. No distribution of materials may take place in the general session room at any time.
- Campaign materials may not be posted on walls, in the elevators, in the halls, on finished wood surfaces, on glass, on doors or door handles, on curtains or other fabrics, or hung from light fixtures, air conditioners, air supply ducts, return air grills and diffusers, obstruct exits or exit signs, be plugged into any light fixture or socket, posted outside the conference site, or slipped under doors of hotel rooms.

- Nothing is to be thrown into the audience during the rally. All “handouts” or “give-aways” are to be passed hand to hand only during the designated campaign time. Do not use straight pins to pin paper on people.

Clean-up

All campaign materials shall be cleaned up by the close of campaigning. Any campaign materials found not cleaned up could disqualify the school from running for office.

Campaign Violations

Any report of suspected campaign rule violations any time during or prior to the campaigning should be made immediately to the Credentials Committee Chairperson and TAFE Program Director. Depending on the severity of the alleged violation, the offending school may be asked to correct the infraction or be penalized by the Credentials Committee. This action may be appealed to the TAFE Board of Directors. A school’s name may be removed from the ballot if the violation is intentional or flagrant. Each candidate school should avoid using any questionable materials or procedures that circumvent the intent of campaign rules.

Optional Campaign Activity: TAFE Social Media

Candidates are welcome to campaign on any official TAFE and Educators Rising social media site. Social media campaigning may not begin until the Credentials Committee has approved the candidacy. Posts must not violate your school’s policies about language, profanity, etc., and **must not** contain any negative attacks on opponents.

Campaign Finance

- Candidates must fund their campaign materials through their TAFE chapter treasury, private donation(s), and/or money generated by fundraising efforts.
- **Campaign expenditures must be limited to \$750.** This includes all items associated with the campaign booth including materials, giveaways, handouts, etc.
- Candidates may accept donated items. However, the fair market value of donated items must be counted against the \$750 total. (i.e. a donated item might include copy paper supplied by the school used in preparing handouts. The candidate would need to ask school personnel the value of the paper and then record it on the Campaign Finance Report as a donated item. For items that may not have an easily obtainable value (such as an item from home, like a stuffed animal) the candidate would need to find a similar item online (use sites like ebay.com, amazon.com, etc.) for determining the fair market value and record it on the Campaign Finance Report.
- Receipts for all campaign materials, including proof of fair market value of the donated items, must be attached to the Campaign Finance Report.
- The final Campaign Finance Report and all receipts must be submitted to the TAFE state office before the mandatory meeting with the Credentials Committee at the Teach Tomorrow Summit.
- **TAFE encourages you to consider creative and low-cost ways to bring a meaningful message to attendees as a TAFE state student officer candidate.**

If you have questions about the Campaign Requirements and Guidelines for Candidates, please contact the TAFE state office.

Political Rally

Speech

- Speeches should reflect the school’s campaign platform and TAFE Theme or TRAFLES.
- At the political rally, each officer candidate school shall be allotted three minutes to give their campaign speech. Each officer candidate will be given a silent 30 second warning to complete their speech. At the end of 3 minutes, the student Vice-President shall announce, “Your time has expired.”
- Any continuation of presentation beyond five seconds after notification shall result in disqualification.

Interview

Applicants will participate in a live personal interview on stage at the political rally. Candidates will answer one question asked by the Vice-President as assigned by the TAFE Credential Committee. The following is a list categories questions may come from.

- Personal Traits
